# THE it girls

Today It Girls are more firebirds than idle swans as adventurous in their work as in their dressing and that the more enviable for it.

Fashion is one of the most practiced norms for the present generation. The Gen X is always looking for the best in fashion tips so that they can become the cynosures of attraction. Fashion and Style happens to be the most preferred codes for Gen X. They are just crazy about the various forms of it and try to attribute themselves with the latest fashion tips and become the style icon. Flaunting the best brands is not about being fashionable and stylish. You have to know how to dress and team up clothes with the right kind of fashion accessories. You should be comfortable whatever you wear and that should be prominent from the way you carry off your attire. But even if you do not possess the perfect fashion sense you can always get some help from your friends and family. But when it comes to fashion it is best that if one trusts one's own instincts glowing radiant through the mists of twilight a woman transforms you in the goddess you wish to be... soft, luscious fabric envelopes you in its charm & transport you into a world unexplored... the fabric of the season is feminine yet fun, soft yet sophisticated & unveils a whole new YOU... the exclusively created printed motifs highlight the spirit of the season & transform our fabric into a fashionable ready-to-wear line, though this unique collection, let a woman sweep you off your feet & take you fashion-forward!!! We buy clothes that appeal to our sense. And we hardly give a passing thought as to why we choose the clothes that we do, putting to pieces of clothing together.

today you are you, that is truer  
than truth, there is no one  
alive who is younger than you
