Bridal fashion is about celebrating
our cultural heritage and our
INCREDIBLE TRADITION.

"The label this is an expression of true luxury
inspired by the elegance and colours that are truly bridal.
The collection is a must-have for any bride-to-be this season."

"Successful grandeur. Spun by the
richness. The heritage we carry. The elegance of grandeur."

MAGICAL

A E S T H E T I C S

Like the first rays of summer sunlight in a bloom. Bright, soft, rich and touched with silver dust. The ocean blue ensemble from this evokes the image of a sun-kissed bride walking down the sandy aisle on a virgin beach. Radiant, lively and resplendent - perfect for the destination wedding of a lifetime.

We love this ensemble because it perfectly brings out the fusion of old world aesthetic and modern sophistication that makes this outfit so unique. The lehenga and blouse are monochrome, while the woven silver threads adds just the right hint of glamour. Paired with a soft net dupatta embellished with silver motifs and border, it's the perfect marriage of elegance and comfort.

THE MILLENNIAL BRIDE

Your dream-come-true wedding is incomplete without an equally dreamy outfit, whether it's for the big day or for the celebrations that lead up to it.

"The outfit includes everything you'd desire - a saree and a blouse of both."

Legacy in every thread

The millennial bride requires transitional design elements rather than just structured silhouettes in her ensembles. Volume adds a rather fluid energy to these structures. Think powerful forms that have been reworked into exaggerated drapes along with unconventional styles.
